

# **China Mobile Hong Kong Company Limited**

## **I. Service Category (C) Cloud IT Services**

**Table 1: Cloud IT Services Items**

<b>Item Number</b>	<b>Item Description</b>	<b>Manufacturer</b>
C00001	ECS General computing-plus C6	Huawei
C00002	ECS General computing-plus C6s	Huawei
C00003	ECS General computing-plus C7n	Huawei
C00004	ECS General computing S2	Huawei
C00005	ECS General computing S3	Huawei
C00006	ECS General computing S6	Huawei
C00007	ECS Memory-optimized M3	Huawei
C00008	ECS Memory-optimized M6	Huawei
C00009	ECS Memory-optimized M7n	Huawei
C00010	ECS Large-memory E3	Huawei
C00011	ECS High-performance computing Hc2	Huawei
C00012	Elastic Volume Service General Purpose SSD	Huawei
C00013	Elastic Volume Service Ultra-high I/O SSD	Huawei
C00014	Elastic Volume Service Extreme SSD	Huawei
C00015	Object Storage Service Standard 100GB	Huawei
C00016	Object Storage Service Standard 1TB	Huawei
C00017	Object Storage Service Standard 100TB	Huawei
C00018	Elastic IP dedicated bandwidth	Huawei
C00019	Elastic IP shared bandwidth	Huawei
C00020	Elastic IP shared data package bandwidth	Huawei
C00021	Relational Database Service MySQL8.0	Huawei
C00022	Relational Database Service MySQL5.7	Huawei
C00023	Relational Database Service MySQL5.6	Huawei
C00024	Relational Database Service PostgreSQL14	Huawei
C00025	Relational Database Service PostgreSQL13	Huawei
C00026	Relational Database Service PostgreSQL12	Huawei
C00027	Cloud Backup and Recovery - Server Backup Vault	Huawei
C00028	Cloud Data Migration	Huawei

## **II. Government Public Cloud Related Services**

**Table 2.1 : Staff Service**

<b>Item No.</b>	<b>Description of Services</b>	<b>Staff Category</b>
1	Man day charge for service consultant	Service Manager
2	Man day charge for service engineer	Service Specialist

**Table 2.2 : Installation and Maintenance Service**

<b>Item No.</b>	<b>Description of Services</b>
1	Project Consultancy Service
2	Usage Management
3	Cloud Operation Management and Support Service
4	Server/Database Migration Service
5	Administrator Training
6	User Training

**Table 2.2 : Internet Connection Service**

<b>Item No.</b>	<b>Description of Services</b>
1	The Elastic IP (EIP) service provides static public IP addresses and scalable bandwidths that enable your cloud resources to communicate with the Internet.
2	Network fees – Includes fixed bandwidth fee and traffic data fee
